Come off the Coventry Ring Road at Junction 9 and take the B4098 Radford Road (signposted for Radford and Keresley). Stay in the right lane (of the dual carriage way) and after about 100 yards take the right filter lane (with traffic lights) Signposted Canal Basin and Crafts. Turn Right on to Light Lane and follow the road round (it turns left, right then left) until you come down the hill. Turn right onto Electric Wharf and continue round to the right down towards the visitor parking.

Our office is situated within the first main entrance gate on the left hand side.
